Indian Research Information Network System (IRINS): Adoption & Promotion

On 24-01-2020 @ Raman Auditorium at 10.00am to 4.00pm

About IRINS

IRINS is web-based Research Information Management (RIM) service developed by the Information and Library Network (INFLIBNET). The portal facilitates the academic, R&D organisations and faculty members, scientists to collect, curate, showcase the scholarly communication activities and provide an opportunity to create the scholarly network. The IRINS is available as free software-as-service to the academic and R&D organisations in India.

The IRINS would support to integrate the existing research management system such as HR system, course management, grant management system, institutional repository, open and commercial citation databases, scholarly publishers, etc. It has integrated with academic identity such as ORCID ID, ScopusID, Research ID, Microsoft Academic ID, Google Scholar ID for ingesting the scholarly publication from various sources.
