About University

The University of Hyderabad (UoH), one of the major institutions of higher education in India is largely devoted to postgraduate studies and research. It is widely known for its excellence and for distinguished faculty. It has 46 Departments / Centres and 13 Schools. There are 400 faculty and over 5000 students. The University offers close to 150 different programs of study ranging from doctoral studies to Masters level degrees, as well as a range of post graduate diplomas and short term courses by Distance mode. It also has a thriving Five year Integrated Master's Program. The University hosts an ever increasing number of foreign scholars in the highly popular Study in India Program: NAAC had graded the University as 'A'. The University is ranked among the top 100 Universities in Asia.

Indira Gandhi Memorial Library (IGML)

IGM Library is one of the important central facilities of the University catering to the information needs of faculty, research scholars and students. The library created learning environment by providing reading space, 24x7 reading hall, subscribing e-resources, Internet browsing, searching Web-OPAC, Laptop zone with Wi-Fi facility, specialized work stations & software for visually-challenged students. The library with its excellent IT infrastructure facilities has achieved several distinctions.

It is the University library in the country automated all its house-keeping operation and has undertaken turnkey projects for computerizing other libraries, subscribing online search databases since 1998 & online full-text databases from 2001. It is participating in Universal Digital Library and Shodhganga Projects. it is successfully offering Post Graduate Diploma in Library Automation and Networking (PGDLAN) through Center for Distance Virtual Learning (CDVA) from 1998. It has installed electronic surveillance, security system and 100 KW Solar Power System for entire library power supply.

Telangana Library Association (TSLA)

TSLA was established in 2014 after formation of New State of TELANGANA and was inaugurated on Late S.R.Ranganathan's Birth Day (9 August 2014). Its main objective is consolidation of libraries and support the skills and Professional development of professionals. It is organizing several programs to enrich the professionalism. Making all efforts for the development of the libraries. It is working for the welfare of library professionals. The head quarter is located in Hyderabad and more than 200 library professionals are life members of this Association.

About Seminar

The seminar is aimed to share the experiences of working professionals with regard to digital resource management, issues related to access, copyright etc. LIS Professionals, Faculty (including retired) and Students are invited to register, contribute papers and attend the National seminar

Context of the Seminar

To celebrate Librarian's day at the University of Hyderabad, the national seminar is being organized on 27th& 28th August 2016. India celebrates Librarian's Day in the month of August to honour Dr. S. R. Ranganathan, Father of Library Science in India.
