Scopus AI Foundation Trial Access is Now Active - INFLIBNET Centre

We are pleased to inform you that trial access to Scopus AI Foundation has been activated.
This trial allows you to experience the AI-powered research capabilities of Scopus AI Foundation combining trusted, peer-reviewed content with sophisticated AI to deliver faster, deeper insights.

Trial Details
Start Date: 10 November 2025
End Date: 09 December 2025

This limited trial access provided to University of Hyderabad is for product testing purposes only and will be subject to the terms set forth in the Elsevier terms and conditions, including but not limited to the usage restrictions and limitations of liability set forth therein.

Getting Started
You can access your trial subscription by visiting www.scopus.com.

To explore Scopus AI Foundation:
  •   Log in to Scopus and click on the 'Scopus AI' tab available on the Scopus homepage.

Access Method:
Your access has been enabled via IP Authentication. You will see your institution's name displayed at the top right of the Scopus homepage.
You do not need to log in to start searching.
To save searches, create alerts, or personalize your experience, you can register for a free Scopus account using the 'Register' link at the top right of the site.
